Discussion Sparks

“Which idea would you quit university for tomorrow?”

“Could a smart intern with Google solve this? If yes, it’s not a startup.”

“What’s the laziest possible version of this that still delivers value?”

Today’s Deliverable

MUST PRODUCE:

Top 1 validated idea + Mom Test interview script ready

KILL CRITERIA:

Nobody in the room would pay for your idea—not even hypothetically

This Week’s Deep Work

- 5 Mom Test interviews, recorded + noted in Toolkit
- For each: what did I learn I didn’t know?
- Update problem hypothesis based on evidence

Complete by next session — or you’re behind.
