Module 3

Pain Mining

A joint initiative by

WORKSHOP: The 90 Minutes

15m Interview Debrief

Share top findings from 5+ interviews in teams

20m Pain Map Build

Map: who, how often, how bad, current spend, workarounds

20m Hair-on-Fire ID

Which segment has the MOST urgent, painful version?

20m JTBD Statement

Write: When [situation], I want to [motivation], so I can [outcome]

15m Interview Plan v2

Target 5 more interviews with hair-on-fire segment

Discussion Sparks

“If your customers are not desperate, you don’t have a market.”

“Show me the receipt—what are they spending on bad alternatives today?”

“Would someone text you at 2am asking for this? That’s hair-on-fire.”

Today’s Deliverable

MUST PRODUCE:

Pain Map + JTBD statement + hair-on-fire segment identified

KILL CRITERIA:

No one in your interviews described spending money on alternatives

This Week’s Deep Work

- 5 more interviews with hair-on-fire segment
- Get Level 2 evidence: specific workarounds + spending
- Prepare for landing page: collect exact customer language

Complete by next session — or you’re behind.
