VENTURE LABS

Module 4

Landing Page Sprint

A joint initiative by

UNTERNEHMER TUM

WORKSHOP: The 90 Minutes

5m Examples

3 great validation landing pages dissected

40m Build LIVE

Build your landing page NOW using v0.dev or Lovable

15m Copywriting

Headline from customer language, CTA, social proof

15m Analytics + Ads

Set up tracking, plan €50 ad campaign

15m Deploy + Share

Go live, share URL, peer review each other’s pages

Discussion Sparks

“Your headline should be something a customer SAID, not something you THINK.”

“If you can’t explain it in 6 words on a landing page, it’s too complicated.”

“In 2026 there’s zero excuse for not having a page live by end of class.”

Today’s Deliverable

MUST PRODUCE:

Live landing page with analytics + ad campaign plan

KILL CRITERIA:

Your landing page describes features, not the problem it solves

This Week’s Deep Work

- Drive 100+ visitors via ads or direct outreach
- Measure conversion rate (email signups or waitlist)
- Iterate headline/CTA based on first data

Complete by next session — or you’re behind.
