Workshop 07 — Kill Your Darlings

> Module 07 · The Kill Decision · 90 minutes

The 90 Minutes

Time	Block	What happens
15m	**Pre-Mortem**	Imagine it's 6 months later and you failed. WHY?
15m	**Kill Criteria**	Define 3 things that would make you STOP right now
20m	**GPK Scoring**	Score all 9 questions of the Go/Pivot/Kill framework
20m	**Peer Tribunal**	Other teams challenge your evidence. Defend or fold.
20m	**The Decision**	Go, Pivot, or Kill. Announce it publicly. No hedging.

Discussion Sparks

- "Celebrate kills. The fastest way to success is killing zombies."
- "What evidence would change your mind? If nothing—you're in denial."
- "Would you invest YOUR money in this? Be honest."

Must Produce — Today's Deliverable

GPK scorecard + PROVISIONAL verdict announced + the kill line for this week's monkey-first test (confirmed at M08 check-in)

Kill criteria: You can't point to a single user who came back unprompted
