Module 9

Revenue Sprint

A joint initiative by

WORKSHOP: The 90 Minutes

10m Revenue Check-In

Who has money? How much? Public leaderboard.

20m Feedback Synthesis

Compile ALL customer feedback into themes

20m Impact/Effort Matrix

Pick top 3 improvements by impact vs effort

25m Build #1 NOW

Start building the highest-impact improvement in class

15m Revenue Targets

Set 2-week revenue targets. Write them on the wall.

Discussion Sparks

“Nothing motivates like seeing another team make money while you’re iterating.”

“What’s the #1 thing stopping your next customer from paying?”

“If you had to 10x revenue in 2 weeks, what would you do differently?”

Today’s Deliverable

MUST PRODUCE:

#1 improvement started + 2-week revenue target committed + payment link live

KILL CRITERIA:

You have zero revenue and no concrete plan to change that

This Week’s Deep Work

- Ship 3 improvements based on customer feedback
- Push toward €500 cumulative revenue
- Set up a repeatable sales process (not one-off deals)

Complete by next session — or you’re behind.
