# Homework — Module 11: Founder Health

> This Week's Deep Work. Complete before Module 12 — or you're behind.

- [ ] Practice your protocol daily for 7 days
- [ ] Continue the revenue sprint: €2,000 pass bar (€5,000 stretch)
- [ ] Check in with co-founders: how are they really?
- [ ] Draft pitch deck v1 (Sequoia structure, ugly is fine) — Module 12's Pitch Forge iterates on a draft; it can't create one from nothing in 30 minutes

## Bring to the next session

Evidence in your Student Toolkit — this week's deliverable: **Personal well-being protocol + team health assessment**
