Workshop 11 — The Energy Audit

> Module 11 · Founder Health · 105 minutes

The 90 Minutes

Time	Block	What happens
15m	**Honest Check-In**	How is your team REALLY doing? Rate 1-10 energy.
20m	**Energy Mapping**	Map all 4 dimensions: physical, emotional, mental, spiritual
20m	**Drain + Source ID**	Biggest energy drain? Biggest energy source? Per person.
20m	**Protocol Design**	Create your personal non-negotiable well-being protocol
15m	**Peer Support**	Share one thing you're struggling with. No fixing, just listening.
15m	**Revenue & Pipeline Pulse**	The sprint to €2,000 doesn't pause: quick leaderboard + one unblock per team

Discussion Sparks

- "This isn't therapy—it's performance optimization for your most critical asset."
- "72% of founders report mental health challenges. You are not alone."
- "What would you do differently if you had to run this startup for 10 years?"

Must Produce — Today's Deliverable

Personal well-being protocol + team health assessment

Kill criteria: Your team is burning out and nobody's talking about it
